Scott County, Iowa queries:

Esther Atkinson-Turmelle (esjosh2@mint.net) Posted 04/06/98 I am looking for information on the family line of my great-great grandfather. His name is James Alexander ATKINSON. He was born in Ohio on August 1, 1839. He spent some years in Davenport as a young man. He married Sophia Severn of Toronto, Canada on September 7, 1869. Their children were Laura, Edith, Charles Severn, Anne Lois, and Ralph James. James is buried in Oakdale Cemetery along with his daughter Laura Atkinson Thomas, Charles B. Atkinson, Susan S. Bowman Atkinson (probably James's parents), Elizabeth Atkinson Miller, George Atkinson, and Mary R. Atkinson (probably some of James's siblings). At this point I don't know where to go for information. I traveled to Davenport four years ago to search for information, but I wasn't able to find much of anything. I really need to know how all these Atkinsons fit together in terms of lineage. I have all these names, but they aren't really doing me any good until I know the lines. If you have access to any records that might help, please send me a post. If you need further information, please get in touch with me. I can furnish more birthdates and names if you need.
